

The Occupier

Ref: 146471
Date: 10th April 2018

Dear Resident

Windmill Hill and Clare Road, Long Melford – Road Resurfacing -April 2018

We will be carrying out road resurfacing works along Windmill Hill, Long Melford (from the junction with Cranmore Hill until the junction with Clare Road) and Clare Road, Long Melford (from junction with Windmill Hill till the junction with Cranmore Green. This is necessary to stop further deterioration and improve the road surface.

The work is planned to be completed **overnight** between 20th April until 25th April 2018. Work will be carried out from around 7 pm until 5 am each day. Excluding the weekend.

The times and dates of works may change depending on the weather conditions. If they do change, we will let you know by updating the information signs on site.

The road will be temporarily closed to through traffic for the duration of the works excluding the weekend. Access to properties and businesses will be available but controlled by staff on site. Please speak to one of our staff who will provide access as soon as it is safe to do so. Access for emergency services will be maintained at all times.

During the period of the closure, traffic will be diverted via Windmill Hill , Westgate Street, High Street, Bridge Street, Bury Road, Sudbury Road, A134 From C700 To St Edmundsbury Borough Boundary, Main Road, The Street, Bury Road, Sudbury Road, Bury Road, Sicklesmere Road, Cullum Road, Out Westgate, Horringer Road, Bury Road, The Street, Chevington Road, Poulter's Lane, Bury Road, The Street , Edmunds Hill , Stradishall Road , Folley Road , Chilton Street, Snow Hill, Bridewell Street, Callis Street, Church Street, Cavendish Road, Clare Road, Stour Street, Poole Street, The Green, High Street, Lower Street, Melford Road, Lower Road, Clare Road and vice versa.

On street parking will be restricted to allow the resurfacing to be carried out unobstructed.

These temporary traffic management measures are required to allow the works to be carried out safely and in accordance with current health and safety guidelines.

Please see the information over the page for more details of how access to your property will be affected by the works, as well as other frequently asked questions.

If you have any other questions about the work, please call us on: 0345 606 6171.

Once we have completed the works, it would be helpful if you could take a few moments to complete a short survey at www.suffolk.gov.uk/suffolk-highways-survey. Your answers will help us improve our service in the future.

Yours faithfully

Suffolk Highways

Frequently asked questions:

You have said that my road will be closed. Will I still be able to get in and out of my property?

Yes, the majority of the time you will be able to. When the road is closed, staff on site will be able to make sure that you can get through safely.

If we are working directly outside your property, we will do everything we can to make sure that you still get in when you want to. However, if, for example we are digging up the road or path right outside your property, there may be periods of around 15-20 minutes when you may temporarily not be able to get in or out.

What about access for other services including emergency services?

We notify the emergency services, local bus operators and councils for bin collections. If an emergency vehicle needs to get in, access would immediately be made available.

I run a business – how will people know if it is open?

We know it's important customers are aware businesses are open, so where appropriate we will put up notices or display signs saying 'Businesses open as usual'.

Will the works be noisy?

The nature of roadworks and the equipment that we use, means that works can be noisy. We will do everything we can to keep noise to the minimum possible.

Will works definitely start on the date in your letter?

We plan roadworks in advance, so to take into account bad weather or other delays, we give dates that cover the range of days that we could be on site (with a few extra days planned in just in case). If we need to make major changes to the dates of works, we will let you know and update the information boards on sites.

Why is there a long diversion in place?

When we close a road and put a diversion in place, it needs to be a route that can be accessed by all shapes and sizes of vehicles. We make the diversion as clear as possible, but people may choose to use other local roads.

The works have finished. Why have signs and barriers been left behind?

Sometimes we need to leave sites with barriers around them so that new surfaces can finish drying off. Often our teams are scheduled to collect the signs at a later date. Occasionally we may leave signs behind by mistake, so if you do see them more than two weeks after we have finished give us a call and we will come and collect them.
